Re: Fire Department Report for the month of JULY 2013

Statistics

Attached are the statistics for the month of JULY 2013.

Significant Emergencies

- **JULY 9** – Residential fire with GRIMES FD, 601 NW Norton Circle

Special Events

- **JULY 5** - After just over a year of Full time employment Clay Garcia is moving on! Clay was with the WHFD as a temporary full time employee in for Capt. Cutsforth during his deployment. Clay is now working as Paramedic with Dallas County EMS and part time for Clive FD. We wish Clay well on his future endeavors. As a sendoff, Clay was given a HUGE mulch fire of which he was able to stomp out with his boots.

- **JULY 8** – Captain Jason L. Cutsforth makes his triumphant return to the WHFD. Welcome home, Brother!

- The WHFD visits Windsor Elementary School ESL Class. The career FD staff along with Officer Woods from the Windsor PD spent some time at Windsor Elementary putting on a static display for the ESL summer program. We were overwhelmed by the number of great questions that the children had. They were all able to sit in and touch a number of FD and PD equipment and ask questions about them.

Commercial inspections:

- No commercial inspections were conducted in the month of July.

Rental Inspections:

- See attached report

Training

WHFD staff completed training in the following areas:

- Live fire training at the FAST Center
- Driver's training: CEVO (Certified Emergency Vehicle Operator)
- Fire Behavior: Lightweight building construction and modern fire loads, wind driven fires.
- Strategy and Tactics for residential fire attack: WHFD Offensive Fire Attack Playbook.

Fire Department Statistics
