ITEM TITLE: Consideration of resolution accepting the plat of 2004 63rd Street of Windsor Heights, IA

CONTACT PERSON: Marketa George Oliver, City Administrator

SUMMARY EXPLANATION

The property at 2004 63rd Street was recently constructed. In April, 2009, the Council approved a planned unit development ordinance to enable the owner to sell the units individually. The County recorder has since contacted the property owner to request a plat resolution in addition to the ordinance, in order to record the plat and enable individual ownership. Attached is a resolution to meet this requirement.

Staff recommends approval of the resolution to enable individual ownership of the units.
