AGENDA STATEMENT**

Item No. 8
For Meeting of 04.05.10

ITEM TITLE: Consideration of a resolution approving a 28e Agreement by and between the cities of Des Moines, Altoona, Ankeny, Bondurant, Carlisle, Clive, DeSoto, Grimes, Indianola, Johnston, Mitchellville, Norwalk, Pleasant Hill, Polk City, Urbandale, Waukee, West Des Moines and Windsor Heights and the counties of Polk, Dallas and Warren for the funding and implementation of Homeland Security Services within the metropolitan area.

CONTACT PERSON(S): Gary Walters, Police Chief

SUMMARY EXPLANATION

Attached is a 28E agreement related to Homeland Security services. The agreement addresses funding for a regional homeland security effort and is a renewal of an agreement currently in place. This agreement has been discussed at the Metro Advisory Council on a number of occasions and revisions made based on those discussions. Exhibit A represents the funding formula for the agreement. The formula includes contributions calculated on a base rate (which is lower for smaller cities); population; and taxable property value. The City of Windsor Heights' contribution under this formula would be \$6,901 slightly less than the previous amount of \$7,259.56 for the prior agreement period. This will be budgeted pursuant to Chapter 384.12(22) of the Iowa Code authorizing a levy for "Support of Local Emergency Management Commission." This agreement goes through June 30, 2015.

Attached is an updated and amended 28E agreement related to Homeland Security services. For a quick overview, a few changes were made to the MAC Homeland Security 28E Agreement to include;

- changing several references made to the Region 5 Fusion Center to reflect the Region 5 Fusion Office, to avoid issues with the Iowa Department of Public Safety;
- an error in the description of the Region 5 Fusion Office for contaminated crime scene processing that was moved to the Identification Section description;
- Article II. A. added a commander and, to the Metro STAR Team composition, and
- added a new paragraph under Article VI. B. to allow another agency to place an employee in one of the Homeland Security Services with the execution of a separate MOU.

WHEREAS; the Parties desire to provide the necessary funding to maintain the capabilities of the Des Moines WMD/CBRNE Tactical Response Team, the Des Moines Bomb Squad and the Des Moines Region 5 Fusion Office supported by the Des Moines Police Identification Section capability to serve all the respective jurisdictions within the metropolitan area that are a Party hereto; and

NOW, THEREFORE, the Parties do hereby agree as follows:

I. Purpose. Pursuant to Chapter 28E of the 2005 Code of Iowa, the Parties do hereby agree that the purpose of this Agreement is to jointly exercise their respective powers to fund and implement enhanced Homeland Security Services to serve all the respective jurisdictions within the metropolitan area that are a Party hereto.

II. Homeland Security Services. All Parties may, in accordance with the procedures set forth in Article III, utilize on an as needed basis the following Homeland Security Services:

A. WMD/CBRNE Tactical Response Team (Metro STAR Unit): This team is comprised of a commander and full time Des Moines Police Officers and full time Polk County Sheriffs Deputies. Team members are all technician-level HazMat trained tactical operators. This allows the team to successfully work in Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) environments. Along with the normal operations of a tactical unit, team members are trained to neutralize active threats, and to provide assistance in support of HazMat Units and Bomb Squads operating in and around “hot zones” of potential CBRNE exposures. Team members provide a safe scene for those that will ultimately mitigate and control the exposure to CBRNE environments. This team also has the capabilities of conducting proactive investigation into CBRNE threats providing preliminary CBRNE monitoring levels to determine the presence of a potential CBRNE substance.

B. Des Moines Bomb Squad: This team is comprised of a commander and Des Moines Police Officers trained as Bomb Technicians and Des Moines Explosive Detection K9 teams. Bomb Technicians are all technician-level HazMat trained. The team will mitigate explosives hazards and are trained in the mitigation of Weapons of Mass Destruction (WMD) dispersal devices. The team is also trained in the collection of hazardous evidence and post-blast investigations.

- C. Region 5 Fusion Office Services: Des Moines Police Department and a Polk County Sheriff's Office staff this intelligence service. This office is one of 6 regional fusion offices in Iowa. Each regional fusion office is interconnected with the other regional offices and the Iowa Department of Public Safety's Intelligence Bureau Fusion Center. Fusion Office and Fusion Center staff meet regularly with the members of the FBI's Joint Terrorism Tack Force, U.S. Attorney's Office, Mid West Gang Investigators, Iowa Homeland Security and Emergency Management, and private sector partners.
- D. Des Moines Identification Section: Full-time Des Moines Police personnel trained in the collection and preservation of evidence found in hazardous environments.

III. Service/Command Procedures. The protocol for utilization of the Homeland Security Services identified in this Agreement will be as follows:

- A. Upon occurrence of an incident requiring use of any of the Homeland Security Services, a Party's Incident Commander as defined below may request such Homeland Security Services by calling the Polk County Communications Center 286-3333, the Des Moines Dispatch Center at 283-4811 or such other phone numbers as the City of Des Moines or Polk County may designate in writing and forward to the Parties. The request shall relay the information necessary for the appropriate personnel to determine what Homeland Security Services in terms of personnel and equipment are needed to respond, which may include multiple or all Homeland Security Services available. The determinations on the appropriate Homeland Security Services personnel and equipment to be sent to a requesting Party shall be made at the discretion of the City of Des Moines using its established protocols. The City of Des Moines shall be held harmless by the requesting Party from liability in connection with its final decision on type and amount of equipment and number of personnel to be provided to the requesting Party.
- B. The responding Homeland Security Services personnel will have a team leader(s) who will report to the Incident Commander and coordinate activities between the requesting Party's personnel and the personnel providing the Homeland Security Services. The team leader(s) will assist the Incident Commander in reaching the objectives required by the circumstances at the scene. The Incident Commander, or his/her designee, shall have the power to issue reasonable orders and directives consistent with meeting the objectives. The team leader(s) will then act on those orders and directives as long as they are safe and within the capabilities of the responding Homeland Security Services team. The team leader(s) will

provide technical advice when appropriate, but will not be expected to assume command of the scene.³

- C. When the Incident Commander and the team leader(s) agree that the objectives requiring Homeland Security Services response have been met the Homeland Security Services response teams will be released from the scene.
- D. The Homeland Security Services response teams will participate and share information in all post-incident debriefings held by the requesting Party.
- E. The term “Incident Commander” as used in this Agreement means the manager of an incident, no matter the size or complexity, or the number of agencies involved in the response. The “Incident Commander” is usually the first or senior, public safety or first-responder to arrive on scene. As additional responders arrive, command may transfer on the basis of who has primary authority for overall control of the incident. The “Incident Commander” is responsible for ensuring a coordinated effort and to ensure an effective response and the efficient, safe use of resources including:
 - Establishing command and the Incident Command Post.
 - Protecting life and property.
 - Controlling personnel and equipment resources.
 - Maintaining accountability for responders and public safety, as well as for task accomplishments.
 - Assessing Incident Priorities.
 - Determining Operational Objectives.
 - Developing and Implementing the Incident Action Plan.
 - Coordinating overall emergency activities.
 - Coordinating the activities of outside agencies.
 - Authorizing the release of information to the media.

IV. Funding Contributions. The City of Des Moines and Polk County have committed annual funding in fiscal years 2011 through 2015 to maintain the enhanced capabilities of Homeland Security Services for the metropolitan area. Funding is needed from the other Parties in each fiscal year to maintain the enhanced capabilities of the Homeland Security Services response to a minimally acceptable level for the Parties herein.

In order to maintain the enhanced capabilities of the Homeland Security Services, each Party to this Agreement will annually pay the respective amount for such Party as set forth in Exhibit “A” in fiscal years 2011 through 2015. The Parties to this Agreement do not waive any defenses, immunities or other limitations applicable to a respective Party and nothing herein shall be so construed.
