CONTACT PERSON(S): Marketa George Oliver, City Administrator

SUMMARY EXPLANATION

This ordinance has been revised based on comments at the previous council meeting. It updates sections of our rental housing code to create a rental property sign for use by the property owners when they are looking for renters for their property. This official city sign will let potential renters know that the property has been inspected and approved by the city. It will also help alleviate the problem of unsightly rental signs used in neighborhoods. The Policy and Administration Committee has reviewed this ordinance and recommended its approval.
