Misconceptions about the Watch

As the Neighborhood Watch, we are here to help neighbors be more aware of Windsor Heights as a community. We are here to pull together as a community to help learn about the crimes that affect our community, and help decrease crime in our community.

Why should you be involved?

☺ To be advised of the criminal activities in our community.	☺ To be educated on how to observe and report criminal activity to the Police.
☺ To learn how to protect your property.	☺ To become acquainted with your neighbors and others in the community.

WHNW Mission Statement

- To help our local police department by becoming the eyes and ears of the community.
- To establish a power of presence and thus increasing the visibility of our enforcement services.
- To establish a zone for criminals where the risk of being caught is too high for them to practice their profession.
- To unite all residents whether it is residential or business to participate in the protection of the community.
- To be proactive in law enforcement. To empower people to remain in control of their communities.
- To lower crime rates and keep property value high.
