

# Written Quotation Form

## For:

Storm water intake replacement (In Front of Grounds)
--

Quotations Received from:

Vendor	Contact Name and Number	Price
<b>The Underground</b>	Chris	<b>\$6,500</b>
Vendor	Contact Name and Number	Price
Chris Green Contracting	Chris G	8,800
Vendor	Contact Name and Number	Price
Elder, vanderpoole, Correll	All Too Busy to Bid This	

	Kevin P. received OK from Jeff to proceed on this pending issue intake.	

When obtaining quotations either in person or by phone, you are subject to certain legal constraints:

- Do not reveal one vendor's price to another.
- Do not ask a vendor to revise the price once it is given.

Three quotes are required unless you have contacted six vendors and are unable to obtain three quotes. If a vendor desires to submit a written quote, the written quote is acceptable and may be attached to this form.

Circle the selected vendor and turn this form into Accounts Payable to be attached to the invoice when paid.

## Proposal

**To:** City of Windsor Heights  
Attn. Kevin

**Project:** Intake Replacement at Grounds of Celebration  
Windsor Heights, Iowa

**Engineer:** N/A  
Sheet: 0  
Plan Date: 0, No Addendum Received

**From:** The Underground Company Ltd.  
12245 Dakota Street  
Carlisle, Iowa 50047  
Phone: 515.282.8455  
Fax: 515.282.8465  
Chris Burkhardt: Project Estimator (323.3185)(chrisb@underltd.com)

**RE:** Intake Replacement Proposal

We, The Underground Company, Ltd., propose to provide labor, machinery and material to complete the following scope of work for the above referenced project.

**Work Scope:**

Replace Existing Intake and Boxout in Driveway of Grounds of Celebration.

Re-using existing footing and casting is considered in price

Price includes traffic control and driveway and street replacement.

**Pricing:**

**Project Total:** \$6,500.00

**Special Provisions:**

- **Price includes safety measures for our work areas**
- **Price does not include the following items unless specified in scope of work or special provisions:** pipe borings, seed or sod, survey/layout, engineering, permits, bond, testing lab services, system development fees, clearing and grubbing, fence removal and replacement, adjustment of existing fixtures including poles, underground lines and utility boxes, removal of buried obstructions, concrete box outs in paving, final minor adjustments of intake structures (to be done by paving contractor), backplastering, traffic control, removal and replacement of contaminated or unacceptable soils, rock or shale excavation, dewatering, stabilization rock, treated soils, frost excavation, granular fills, footing excavation and backfill, sidewalk grading, handling of footing and sidewalk dirt, over excavations, import or export soils, silt fence or erosion control, curb cuts or pavement removal and replacement, asbuilt drawings and additional equipment move-ins for respread or prep.

**Proposal Acceptance:**

This proposal may be withdrawn if not accepted within 30 days

Completed work will be invoiced every 15 days. Payment due upon receipt of invoice. All unpaid amounts will be subject to a service charge of 1.0% per month.

Attachments or exhibits to this proposal shall be considered bound to this proposal and it's special provisions.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alterations or deviations from the above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements are contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, wind damage and other necessary insurance. Our workers are fully covered by Workman's Compensation insurance.

**Acceptance of Proposal:** The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
