Windsor Heights Farmers' Market at Movies in the Park

The City of Windsor Heights would like to announce a new addition to the Movies in the Park summer event: Colby Park Farmers' Market! The Farmers' Market will continue on a week to week basis with signs posted in the neighborhood along with notifications on Facebook. Check Facebook for updates on the Farmers' Market and vendors for weekly specials and discounts. You can find the Facebook page titled 'Colby Park Farmers Market with Crafters and Vendors'. Voice Your Opinion

In collaboration with Quester, a national marketing research company headquartered in Windsor Heights, we are asking for residents to voice their thoughts and opinions about our city by completing an online survey.

The survey will start in July and extend through August. We are asking for feedback of services, facilities, and activities Windsor Heights provides, as well asking for your vote on a few key topics. When

you see the link in an upcoming newsletter or water bill, please take time to visit the website and complete the survey. By doing so, you're investing in our community by helping us maintain areas of excellence, and improve areas of opportunity.

Keep Our Creeks Clean; Clean up After Your Pets

Pet waste is a major contributor to stormwater pollution. Rain and melting snow flows across yards, dog parks, down trails, etc. on its way to creeks via our streets and storm drains. Dog poop contains bacteria and is high in nitrogen and phosphorus (nutrients that negatively affect our waters).

The Impact: Pets and urban wildlife are major sources of water contamination because pet waste contains harmful bacteria and parasites. Dog feces can contain fecal coliform bacteria, which can spread diseases like Giardia, Salmonella, and Campylobacter, causing serious illness in humans.

You Can Make a Difference: Be prepared by carrying bags with you to pick up pet waste. It's a good idea to carry a few extras with you in case you meet someone in need. Collect your pet's waste in a bag and deposit it in a trash can, or dump the poop in the toilet without the bag. Do not leave bags on the side of trails—there isn't anyone designated to pick them up! You can make a difference by being a responsible pet owner. Routinely pick up your pet's waste (or hire someone to do so) so you're not contributing to decreased downstream water quality.

Windsor Heights Foundation Ice Cream Socials

The Windsor Heights Foundation has accepted \$1000 from the Windsor Heights Neighborhood Association. The Association fostered community dialogue by sponsoring annual neighborhood ice cream socials. While the Association has disbanded, we know there is great support for continuing this neighborhood social activity. Past Neighborhood Association President David Lange and his wife Colleen provided a wonderful blueprint for reorganizing the ice cream socials. Sandy O'Brien and Laura DeBartolo Tow have will co-chair the next event. The Windsor Heights Foundation is excited about sponsoring this community activity. Reserve Sunday, August 24, from 6:30-8:00 p.m. Please let organizers know if you can host a neighborhood social or if you would be willing to help. Contact Sandy at 279-8942 or Laura at 331-3013 to volunteer your time or suggest ideas.
