A member of Mercy Health Network

Your home. Your care. Your pace.

A proud history.

There is nothing more rewarding than helping others live their lives to the fullest. We prove it in the work we are called to do, the relationships we build enjoy and the lives we touch just as our founder, Pastor E.A. Fogelstrom, envisioned when he founded Immanuel in 1887.

Our Mission: Provide Christ-Centered Service to Seniors, Each Other and Community

What is Immanuel Pathways?

- Immanuel Pathways, an Immanuel organization, offers a unique service to enable people with chronic care needs to be served in their homes and communities whenever possible.

What is PACE?

Program of All-inclusive Care for the Elderly

- A program that follows participants through all transitions of care.
- A program through which participants receive all their health and social services.
- The only federally qualified provider-sponsor health plan which integrates Medicare and Medicaid services into one seamless service package for participants.
- Provided in over 30 states with 167 centers currently in operation.
