Windsor Heights Fire Department’s Core Values

DUTY

Duty is a commitment to the people whom we protect that we will be mentally and physically prepared to serve at all times. We will train to operational perfection and discharge our duties with efficiency and effectiveness.

PRIDE

Pride is a feeling of confidence that comes from being a part of something bigger than yourself. We will ensure our equipment is maintained to the highest level of readiness. We will wear our uniforms proudly; we will act with integrity, as to never bring discredit to our Department, the Fire Service, or to the public we serve.

TRADITION

We will know, respect, and pass down the history of our Fire Department and our profession to new members. Tradition is our link to the past and our map to the future.
