- Stormwater Advisory Committee
- Sister Cities Commission
- Council Subcommittee Citizen Representative: (please list) _____

Related Experience and Interests: I have a broad background in many areas which would contribute positively on the P&Z. One of the issues I had during my previous time on the commission was that in March 2013 I took a position at DOT managing a trails grant program for which Windsor Heights had applied for in the past. This was a conflict of interest but I took a different position in 2014 at DOT.
