

Resolution No. 15-1163

**A RESOLUTION ORDERING CONSTRUCTION OF CERTAIN
PUBLIC IMPROVEMENTS (80th STREET FOOTING DRAIN
COLLECTOR PROJECT), AND AUTHORIZATION TO SOLICIT
FOR QUOTATION THEREFORE**

WHEREAS, it is deemed advisable and necessary to construct certain public improvements described in general as the 80th Street Footing Drain Collector Project, and has caused to be prepared plans, specifications and form of contract, together with estimate of cost, which will be on file in the office of the City Clerk for public inspection on November 3, 2015; and

WHEREAS, before the contract for the construction of the public improvements is entered into, it is necessary, pursuant to Chapter 26 of the Code of Iowa to solicit for quotations from at least two contractors generally engaged in such work.

NOW, THEREFORE BE IT HEREBY RESOLVED by the City of Windsor Heights City Council in session this 2nd day of November, 2015, that it is hereby determined that it is necessary and advisable to construct certain public improvements described in general as 80th Street Footing Drain Collector Project, the public improvements more generally described as follows:

Construction of the 80th Street Footing Drain Collector Project including all labor, materials and equipment necessary to construct approximately 1,000 linear feet of 6-inch footing collector piping, and miscellaneous associated work including cleanup.

BE IT FURTHER RESOLVED, that the City Clerk be and is hereby directed to authorize the solicitation for quotation in accord with Iowa Code 26.14.

Passed and Approved this 16th Day of November, 2015.
