122.01 DEFINITIONS. For use in this chapter the following terms are defined:

1. "Peddler" means any person carrying goods, merchandise or offering services who sells or offers for sale for immediate delivery such goods, merchandise or services from house to house or upon the public street or right of way.
2. "Solicitor" means any person who solicits or attempts to solicit from house to house or upon the public street or right of way any contribution or donation or any order for goods, services, subscriptions or merchandise to be delivered at a future date.
3. "Transient merchant" means any person who engages in a temporary or itinerant merchandising business and in the course of such business hires, leases or occupies any building or structure whatsoever, or who operates out of a vehicle which is parked anywhere within the City limits. Temporary association with a local merchant, dealer, trader or auctioneer, or conduct of such transient business in connection with, as a part of, or in the name of any local merchant, dealer, trader, or auctioneer does not exempt any person from being considered a transient merchant.

122.05 BONDS REQUIRED.

1. Before a permit under this chapter is issued to a transient merchant, an applicant shall provide to the Police Chief, or his/her designee, evidence that the applicant has filed a bond with the Secretary of State in accordance with Chapter 9C of the *Code of Iowa*.
2. At the time of filing of the application and as a part thereof, any applicant without a place of residence or place of business in the State of Iowa shall file with the Police Chief a bond, with sureties to be approved by the Police Chief, in a penal sum of \$5,000.00 running to the City, for the use and benefit of any purchaser of any merchandise from such transient merchant who might have a cause of action of any nature arising from or out of such sale against the applicant or applicant's employer. The bond is to be further conditioned for the payment of any fines that may be assessed by any court against the applicant for a violation of this chapter, and further conditioned for the payment and satisfaction of any and all causes of action against the applicant commenced within one year from the date of sale of any merchandise. The aggregate liability of the surety for all fines and causes of action shall not exceed the principal sum of the bond.

122.06 PERMIT ISSUED. The Police Chief, upon review of the permit application with the police department and any other appropriate department or agency, shall determine whether a permit will be issued to the applicant. A waiting period of not less than three (3) business days from the date of the application shall be in effect to provide sufficient time for the fact gathering process to be completed in a reasonable period. In making his/her decision, the following factors shall be considered:

1. The information in the application is found to be correct.
2. All information required has been provided and the application is complete.
3. The required bond is paid.
4. Prior peddler, solicitor, panhandler or transient merchant permits issued to applicant and whether any such permits were suspended or revoked.

If the determination is made that the application satisfies the above factors and the applicant is not a risk to public safety, a permit shall be issued upon payment of the bond and any other fees set forth in the schedule of fees adopted by the City Council by resolution. A denial of a permit may be appealed in the same manner and under the same procedures stated at section 122.14 of this chapter.

122.17 PERMIT EXEMPTIONS. The following are excluded from the application of this chapter.

1. Newspapers. Persons delivering, collecting for, or selling subscriptions to newspapers.
2. Club Members. Members of local civic and service clubs, Boy Scout, Girl Scout, 4-H Clubs, Future Farmers of America, and similar organizations.
3. Local Residents and Farmers. Local residents and farmers who offer for sale their own products.
4. Students. Students representing area schools or school districts conducting projects sponsored by organizations recognized by the school.
5. Route Sales. Route delivery persons who only incidentally solicit additional business or make special sales.
6. Resale or Institutional Use. Persons customarily calling on businesses or institutions for the purposes of selling products for resale or institutional use.
7. Authorized representatives of charitable or nonprofit organizations operating under the provisions of Chapter 504 of the Code of Iowa. All such organizations seeking to act as a peddler, solicitor, panhandler and/or transient merchant are required to submit in writing to the Police Chief, or his/her designee, the name and purpose of the cause for which such activities are sought, names and addresses of the officers and directors of the organization, the period during which such activities are to be carried on, and whether any commissions, fees or wages are to be charged by the solicitor and the amount thereof. If it is found that the organization is a bona fide charity or nonprofit organization, such charity or organization shall be issued, free of charge, a permit. In the event the permit is denied, the authorized representatives of such charity or organization may appeal the decision to the Council, as provided in Section 122.14 of this chapter.

122.18 PROHIBITED ACTS. It is unlawful for any person, with or without a permit under this chapter, to conduct peddling, solicitation, panhandling or transient merchant business:

1. With any person situated in a motor vehicle upon any public street, alley, driveway access or public way.
