Hello Elizabeth!

Thanks again for your help on this!

Below is our current list of expenses for the 4th of July Parade. We were hoping to receive a waiver on the barricade fees and potentially a discount on the Police rates.

We are still pursuing a better understanding of the estimated police charges of \$2,615.42 for the ~4 hours on the 4th, as last year's total (which we used to make the decision to help take on the parade responsibilities) came to \$2,800 for the entire day's events.

The Chamber is asking if the City Council can waive the last two items totaling \$3,826.26 to help make this event affordable would be deeply appreciated.

Item	Vendor	Est.
Golf Carts (2person \$45, 4 - \$75, \$100 delivery fee)	Golf Cars Iowa	\$250.00
Buttons		\$0.00
Posters/marketing		\$275.00
Police Staff		\$2,615.42
Public Works Staff, incl barricades		\$1,210.00
	Total	\$4,350.42
