Beggar's Night in Windsor Heights

Beggar's Night is traditionally held on October 30th from 6 to 8 pm. In Windsor Heights, Beggar's Night is actually not a City event, so the City doesn't host this event and can't cancel it. But if you choose to trick or treat, the City recommends following the [CDC guidelines on how to handle holidays during the coronavirus pandemic](#).

To make trick-or-treating safer, the CDC recommends

- Avoiding direct contact with other trick-or-treaters.
- Giving out treats outdoors, if possible.
- Setting up a station with individually bagged treats for kids to take.
- Washing hands before handling treats.
- Wearing a mask.

We are also asking residents who wish to hand out candy to please turn on their porch light.
